The Difference is in Black & White...

ABOUT US

We are a string quartet ensemble made of two violins, viola, and cello that performs live music for weddings, receptions, parties, banquets, and many other occasions. We have been in business since 2001, and we travel to events throughout the North Texas region. The "Sun Quartet" name is an homage to Franz Joseph Haydn's Op. 20 collection of string quartets composed in 1772. The quartets were named the "sun quartets" after the title-page design of the first printed edition in 1774.

ABOUT OUR MUSICIANS

We only hire professional musicians with years of performance experience, and we rehearse together on a regular basis. We have performed at hundreds of weddings and have a vast amount of experience in the wedding industry. Our current musical artists are Lucia Neaga on violin I, Jennifer Seagraves on violin II, Beverly Marsh on viola, and Christine Glass on cello. For more information about our musicians, please visit us on the web at www.sunquartet.com/about.

ABOUT OUR MUSIC

We perform a wide variety of music styles. Our repertoire includes selections from the great masters of Classical music to selections from Broadway, the Movies, Latin, and Pop. A list of the standard music selections that we perform is included in this packet.

Samples of our recorded music are available on the web at www.sunquartet.com/about/downloads. We can also mail you a free CD with music samples upon request. String quartet music adds a distinctive ambiance of elegance and class to your event. We are committed to designing a unique and beautiful live music performance to make your event an unforgettable experience which your guests will talk about for years to come. Imagine how wonderful the music will be as you meet each other on your wedding day and fulfill the dreams of a lifetime!

ABOUT WEDDINGS

Wedding prices include up to 30 minutes of prelude music, all processional and recessional, solos or unity candle if needed, and up to two pieces of postlude music for guests after the ceremony. For most people, wedding ceremonies last approximately an hour. We also do cocktail hours & receptions.
